

BELLEVILLE MINI

Data sheet

Smaller sister of the Belleville suspended luminaire, this industrial wall lamp will bring a delicate halo of light to your bathroom or to the stone walls of your outdoor patio. The simple, rectilinear grid of Belleville evokes the contemporary style of this once working class suburb that is now the temple to Parisian street art. Available in coal black or all stainless steel, this versatile wall lamp will bring a perfect touch of modern style to all your living spaces.

This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.
