

# MONCEAU

Data sheet

The Monceau suspended luminaire and its chevron grid make reference to the characteristic pattern of the antique parquet floors typical of the best addresses in Paris. This luminaire is available in two finishes. Combining brass with stainless steel, the Brass version creates soft golden reflections to envelop your living spaces with welcoming warmth. For a 100% on-trend post-industrial feel, you might opt for its Coal version, whose darker tones are featured not only in its strap fixings and end caps, but also in the multi-perforated grid and 3 brushed reflectors that create unexpected grey/blue reflections. Suspended above your dining table or kitchen surfaces by its delicate steel wires, the subtle light of its 6 LED bulbs makes the Monceau an open invitation to enter and embrace the world of the capital's great Haussmann apartments.

This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.

## Characteristics

CLI - 220V - 6 x E27 LED 4W (included) dimmable 2700K  
 Diameter : 133mm  
 Length : 1340mm  
 Weight : 7,5kg  
 Installation : Wall / Ceiling / Pendant

Protection sign : IP68  
 Equipped with cable and cable plate kit  
 Suspension ropes : 2 x 3m included  
 Cable : 3m  
 Design : Normal Studio

## Finishes

- Colors :
-  Stainless steel 316L
  -  Brass
  -  Coal RAL7021
- Reflectors :
-  Brass
  -  Petrol

## Materials
