

MUSSET GR PIGMENTS

Data sheet

The Musset GR wall lamps are reinventing themselves! The stainless steel components of the luminaire - its end caps and strap fixings - are now available in exciting colours, such as Coal, Marsala red, Sky blue and Provence green, as well as timeless white. Behind its glass body, its multi-perforated grids, which are also lacquered, create a soft, muted lighting environment. With its new colourful identity, the iconic Musset GR wall lamp is just as versatile as ever, integrating perfectly with the ambience you choose for the spaces you live in. In your bathroom, your bedroom or your conservatory, bring your walls to life with a strong colour statement! This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.
