

# MUSSET GR

Data sheet

This essential and timeless luminaire is full of characterful charm. Wall mounted, the glass body reveals its rear reflector and the louvres that soften its light output and create a soft and extremely comfortable lighting environment. Suspended by fine steel wires, it delivers its full potential with a lightness of spirit and real sophistication. Offered in three finishes, Musset GR brings warmth and intimacy to your dining room or conservatory in all three of its golden, coppery and silvery finishes.

This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.
