

VENDÔME MINI

Data sheet

Smaller sister of the Vendôme suspended luminaire, the soft, warm light of this lamp will bring new character to your walls. With its interlocking motifs, the grid of the Vendôme mini echoes the main roads that feed into the famous Parisian square renowned worldwide for its great fine jewellery houses. This decorative wall lamp gives you the option to create two distinct atmospheres, depending on the version you choose: the Brass, which combines brass with stainless steel to create the welcoming feel of golden reflections, or the Coal, whose coal black finish creates a 100% on-trend post-industrial feel. With its brushed reflector lit by 2 LED bulbs, the Vendôme mini is so much more than simply a luminaire; it is a little jewel in its own right.

This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.

VENDÔME MINI

Data sheet

Characteristics

CLI - 220V - 2 x E14 matt LED 4W (included)
dimmable 2700K
