

RIMBAUD PIGMENTS

Data sheet

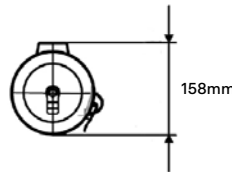

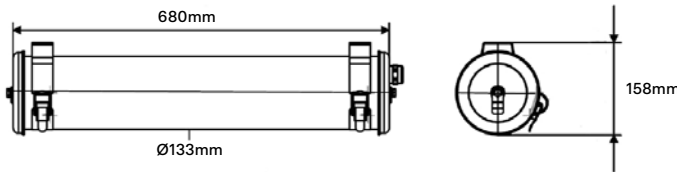

The Rimbaud suspended luminaire is reinventing itself with a new commitment to colour. Lit by two subtle LED bulbs, the multiple reflections created by the internal reflector respond to the large lacquered surfaces of the luminaire's strap fixings and end caps. We offer you an exciting range of colours - Coal, Marsala red, Sky blue and Provence green, as well as a timeless white. As majestic and timeless as ever, the Rimbaud suspended luminaire associates its new colours with the decorative style of your living spaces to set a new high note for your interior.

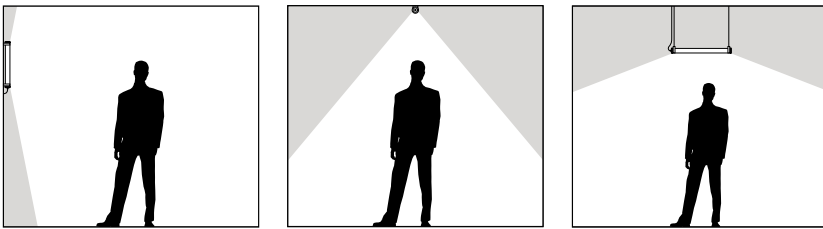

This luminaire is supplied ready to install, fully equipped with its cable, light source and wall cable plate. All our luminaires are manufactured, assembled and packaged at our Châtillon-sur-Saône factory plant in the Vosges region of France.

RIMBAUD PIGMENTS

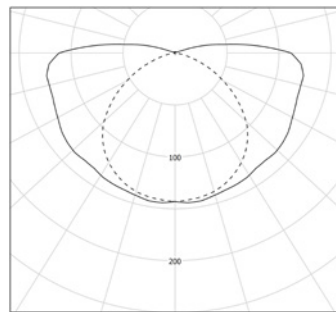

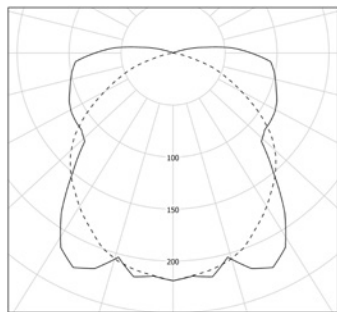

Data sheet

Usage drawings :

Photometries :

Flux : 600lm / 550lm / 500lm
Silver / Gold / Copper

Flux : 550lm / 500lm
Brass / Petrol

Characterics

CL I - 220 V - 2 x E27 matt LED 4W (included)
